DRAFT Permit - No Track Changes.doc
DRAFT Fact Sheet.doc

Hi Kate and Leslie,

Ex. 5 - Deliberative Process

We've already agreed that finishing the draft permit will extend beyond June 7. Once we have an internal draft of the permit conditions, we can probably give a better estimate for delivering a draft.

It is likely that we will exceed the initial LOE estimate of **Ex. 4 - CBI** (between Jim and Cadmus), and I wanted to check with you before that happens. Please advise. Again, I suspect we'll have a better idea of the total that will be needed later this week.

Hi Nancy,

I forgot to copy you on the below email. I have received comments from Excelsior and we made some minor modifications. David Haag and I are going through it one more time and then we will be sending it to Excelsior again for one last look over before we intend to public notice.

I will copy you on the revised version.
